

# Leveraging Generational Diversity in the Workplace

## PROGRAM OVERVIEW:

Many workplaces span 5 generations. This presents not only opportunities but also challenges at all levels. When we are unable to relate with others that are older or younger than ourselves with different experiences, it is difficult to understand their perspective. There is often an immediate response to rely on harmful stereotypes and blame solvable problems on individuals. In this program, participants will:

## OUTCOMES:

- Explore characteristics of different generations
- Identify the benefits and power of a generationally diverse workplaces
- Learn and practice skills to embrace, appreciate and collaborate across generations
- Create plans to create and maintain a culture of generational collaboration

## DURATION:

This program is 1 day

## FEE:

\$600 (Fee includes course materials, meals, certificate of completion)

## AUDIENCE:

Business investing in an employee or an individual wanting to further develop their skill set in the area of leveraging generational diversity in the workplace.
