

LEAD Putnam Certificate

LEARN / EXPERIENCE / ADVANCE / DO

PROGRAM OBJECTIVE:

Co-developed by Ohio Northern University and Putnam County Community Improvement Corporation, this certificate is designed to further develop the workforce of Putnam County. This highly interactive program provides an opportunity for participants to better understand and utilize their skills and strengths, gain the tools to manage others, and the knowledge to positively impact their businesses. This program will focus on authentic, inspirational and servant leaders creating a higher level of business acumen skills benefiting their organizations that better understand and utilize their skills and strengths.

PROGRAM COMPONENTS:

- Experiential learning during modules
- Real time discussion, problem solving, skill development
- Kick-off each module with a follow-up of previous session
- Modules delivered in person
- Application exercises between sessions
- Cohort Immersion Experience
- Two Day Authentic Leadership Module
- Four, one-day bi-monthly modules on selected topics
- Final Wrap-up and recognition event

MULTI-LAYERED AND HIGHLY INTERACTIVE:

Immersion Experience: A fun, informal environment that fosters team building among the participants; a shared experience is important for developing the cohort.

Authentic Leadership Development - Expanding participants' organizational and personal leadership capabilities with a focus on Authentic Leadership.

Business Acumen: Skills that help you understand real-world business contexts and making practical decisions that lead to organizational success.
